For Franklin to hand this to Teresa. That Franklin tell your dear Teresa, I know she called or wrote over here requesting that I'm not permitted to do what I do. But it was not worth it because I'm going to have her killed with my cousin, he's going to take of you, and you can pay what you owe. You think this is going to stay like that, you are wrong . You will pay with death, or do you forget that my cousin and you know whois free the same as you. My cousin is going to have you killed, remember that we are Dominicans like you. Also my cousin is interested in having you both killed, because you know too many things about us, and what you did you are going to pay for it very soon bitch.
